when we pause to give thanks for all the good things present in our lives. Far too often, the trials & tribulations of harried days seem to overshadow the sweeter moments. DCC staff wants you to know how grateful we are to be able to serve you. You care for our most precious commodity, innocent children. You work hard, often unnoticed. Your efforts help toward the healthy development of these little ones. You struggle to get it all done, to be a good caregiver, not just a "babysitter".

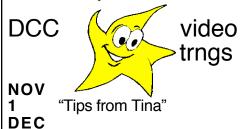

For this & so much more, we thank you!

visitors' views

Kelly, Nancy & Kathy ask all their dear caregiver friends to phone DCC (529-1200) with ANY schedule changes since

school has started, IE: transporting or meal times. Not only is this a permanent USDA requirement that DCC keep such info in our files but, it sure helps these gals plan daily visits. Please help make visits smoother for all by updating this important info whenever changes occur. Thanks!

Hmmm... something to think about

HERE WE GO--

Every year at this time, DCC suggests our caregivers think about the oncoming holiday season a bit differently.

As women, wives, mothers & professional business owners, we now begin a season when our lists are long & we grow weary. Every year, we hear the need to pace ourselves & choose only important things in our lives.

Is this a gift you can truly give yourself, & in so doing, create more happiness for others?!

social media CAN hurt

It's come to our attention that many of you (perhaps innocently) communicate at various sites providers frequent. We ask you, carefully & thoughtfully, to think before referring to others in the profession. Catty words can be recv'd as hurtful by other caregivers. And, we are all stronger together... NOT as a fractured group.
